

# Doctors Weight Loss

*s o l u t i o n*™

***Doctors Weight Loss Solution™* is a complete turn-key weight loss program created by doctors exclusively for the chiropractic practice.**

**The program offers:**

- Complete Operational, Doctor, Patient and Marketing manuals.
- A simple turn-key approach to understanding and creating the proper diet for your patients.
- The majority of the program is staff-driven allowing the doctor to practice his/her normal daily procedures.
- Customized diets for your patients according to their health history, lifestyle and habits.
- Complete meal plans including fresh food choices; portion-controlled, healthy, delicious prepared entrees; protein bars; hot oatmeal; meal replacement shakes; protein and fruit drinks; cappuccinos; puddings and sugar-free cookies.
- Nine different programs, all reasonably priced to fit any patient's budget
- Complete lessons and lesson plans for weekly patient group support workshops held on site in your office. Studies prove that patients lose three times more weight in group-supported programs. We have combined the best of Jenny Craig® and NutriSystem® with the best of Weight Watchers® into one unique program!
- A tremendous portal for new chiropractic patients. With an in-office weight loss program, your office has access to the 90% of the population who are not currently using your services!
- Extremely profitable for your practice. Earn up to \$2000 per patient on an annual basis!
- Support, Support, Support—we provide weekly one-on-one doctor and staff coaching sessions for the first three months, unlimited e-mail and telephone support for six months, and national teleconference calls.
- **The one time program fee is only \$475.00.**
